

COUNCIL ON HUMAN RELATIONS

LEVITTOWN, NEW JERSEY

April 25, 1960

NOTICE OF MEETING

A meeting of the Levittown Township Council on Human Relations is called for Friday evening, April 29, at 8:00 P. M. in the Administration Building of Levitt and Sons, Incorporated. We expect to start the meeting promptly and end promptly at 9:30 P. M. or sooner. Your cooperation is anticipated.

The Executive Committee will present two recommendations:

*Objective*  
1. "The objective of the Levittown Township Council on Human Relations is a peaceful, secure community where dignity and mutual respect, equal opportunity, law and order, and civic responsibility prevail for and among all peoples of every race, color, religion and national origin."

*Method*  
"Responsibility for achieving this objective rests with government, educational institutions, religious and civic organizations. But the success of this program will depend largely on what <sup>we</sup> you and <sup>our</sup> your fellow Levittowners ~~citizens~~ say and do. Special responsibility for supplying information for organizations, promotion and guidance of program lies with the Council on Human Relations and the many cooperating agencies."

2. That we offer a leadership training experience of not less than two sessions. This to be a "Pilot Course" in Human Relations limited to fifty volunteer Levittown citizens sensitive to the need in an integrated community for establishing the relationship and fair play attitudes that underlie constructive and satisfying community living. The pilot course will cover the broad base of human relations and the specifics of integrated living.

Dr. Lett and Mr. Johnson, Consultants to our Council, will be with us. Come early and look over a display of certain Human Relations material from other cities.

We are counting on your full cooperation and attendance. We will appreciate knowing of your attendance in advance. Call our Secretary, Mrs. Beth Baldwin - TR-7-3924 or myself - TR-7-5276. Thanks a lot.

Cordially yours,

Charles H. Groesbeck,  
Chairman
